Dear Hank,

To say it was a real pleasure meeting you and Angie would be a gross understatement. Not only did you add to the evening with your talk, you impressed everyone with the type of person you are and the agency you represent. All the committee can do is accept the compliments of those who attended for what is being called the finest Executive Night in the history of P.M.A.P.

Hank, I personally want to thank you for all that you contributed, and I am sorry we could not spend more time together. I would consider it a privilege if we could have an opportunity to meet and talk again.

Sincerely,

David E. Graf
General Purchasing Agent

P.S. Enclosed is the corrected plate will it adhere to anything?
